NCAA Approved Course List for 2020-21

The following courses, organized by subject area, have been approved by the NCAA Eligibility Center for use towards initial eligibility when delivered by Connections Education, Connections Academy, or Pearson Online and Blended Learning (formerly Connections Learning) teachers using the Connexus EMS platform. The approved content is the Connections Education version of the course.

Note that not all courses may be available at all locations, and there may be slight variations between your state's course naming convention and the name of the course listed on the [NCAA Eligibility Center High School Portal](#).
