Summer Smarts Reading & Math

TUITION: \$230 for the summer session

Give your elementary or middle school student a personalized learning experience with our Summer Smarts program. Our courses are tailored to meet each student's unique needs, starting with a pretest to determine their individual skill level. As students progress through the program, activities automatically adjust to provide the right level of challenge—whether they are working at, above, or below grade level. In addition, students can join live enrichment sessions Monday through Thursday, where they'll have fun learning alongside their peers and teacher. It's the perfect way to keep skills sharp and make the most of summer!
