

Online Summer School 2023

Enjoy Summer Freedom and Online Flexibility

Students can explore new interests and build new skills

At Pearson Online Academy, online summer school students stay engaged academically while enjoying the freedom of summer. With more than 100 different online courses to choose from, flexible start dates, and exciting courses to keep students engaged during the summer months, Pearson Online Academy's online summer school suits students' academic needs and busy summer schedules. Contact our admissions advisors for information about enrolling and transferring credits.

- » **Original Credit Courses** help students satisfy graduation requirements, explore their interests, or accelerate their academic progress.
- » **High School Credit Recovery Courses** allow students to retake courses to earn the credits to move forward and acquire the skills to succeed.
- » **High School Honors Courses** in grades 9–12 provide students with advanced coursework that awards high school credits that are weighted higher for boosting that GPA.
- » **Elementary and Middle School Courses** offer younger students the opportunity to learn English or math core concepts, to learn a new language, or to begin exploring career interests.

“Rolling” Start and End Dates

Pearson Online Academy and Blended Learning's online summer school courses have great flexibility to fit your district's or school's summer schedule.

- » Summer session begins on June 1.
- » Last day to enroll is July 6.
- » Last day of the summer session is August 4.

▶ Online summer school allows your students to stay engaged academically while still enjoying the freedom of summer.

Summer Smarts Math and Reading

TUITION: \$225 for the summer session

Expand your elementary and middle school students' skills through a Summer Smarts program. At the beginning of a Summer Smarts program, students are assessed for placement in the academic continuum. Students are then able to progress through the program independently, with individual pathways that maximizes help in the student's area of need. Throughout the summer, students in the program will be invited to participate in weekly hands-on activities for further engagement in math and reading.

Programs

Math (K-2)
Math (3-5)
Math (6-8)
Reading (K-2)
Reading (3-5)
Reading (6-8)

Middle School Core Courses

TUITION: \$325/Course*

Students may enroll in middle school language arts and mathematics courses to brush up on core skills in preparation for the next grade level or to review concepts from the previous school year.
