Our Mission

At Pearson Online Academy, our mission is to empower students to be future ready in a global society through high quality instruction and a supportive partnership with families.

Our Program

We're an online, U.S.-based private school that empowers K-12 students from around the world to learn from wherever your family is based. Our college prep curriculum brings learning to life with 100+ courses delivered through engaging technology and virtual lessons and discussions, as well as extracurricular clubs and activities.

The teamwork of the Learning Coach and Pearson Online Academy teachers provide a high-quality education experience that prepares students for success well after graduation.

- Pearson Online Academy has approximately 1,600 full-time and part-time students in grades K-12, representing 70 different countries.
- Our full-time K-12 program provides a comprehensive private school experience – from personalized instruction to clubs and activities, academic/career counseling, a wide range of electives, and more.
- Part-time solutions help students get ahead, catch up, or explore new subjects through hundreds of virtual K-12 courses.
- Summer school options engage K-8 students with academic enrichment opportunities while on summer break. High school students can recover credits for graduation or accelerate their studies with original credit courses and electives.
- Career Technical Education (CTE) courses allow students to combine both college preparation and workforce skills development into one customized education program.
- Pearson Online Academy is accredited by MSA, as well as the following accrediting divisions of Cognia: SACS CASI, NWAC, and NCA CASI.
